Rev. 2/17

## **HUB Subcontracting Opportunity Notification Form**

In accordance with Texas Gov't Code, Chapter 2161, each state agency that considers entering into a contract with an expected value of \$100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. The state agency I have identified below in **Section B** has determined that subcontracting opportunities are probable under the requisition to which my company will be responding.

34 Texas Administrative Code, §20.285 requires all respondents (prime contractors) bidding on the contract to provide notice of each of their subcontracting opportunities to at least <a href="https://exas.certified-HUBs">https://exas.certified-HUBs</a> (who work within the respective industry applicable to the subcontracting opportunity), and allow the HUBs <a href="https://exas.certified-HUBs">at least seven (7)</a> working days to respond to the notice prior to the respondent submitting its bid response to the contracting agency. In addition, <a href="https://exas.certified-HUBs">at least seven (7)</a> working days prior to submitting its bid response to the contracting agency, the respondent must provide notice of each of its subcontracting opportunities to <a href="https://exas.certified-HUBs">https://exas.certified-HUBs</a> (who work within the respondent submitting its bid response to the contracting agency, the respondent must provide notice of each of its subcontracting opportunities to <a href="https://exas.certified-HUBs">https://exas.certified-HUBs</a> (who work within the respondent submitting its bid response to the contracting agency, the respondent must provide notice of each of its subcontracting opportunities to <a href="https://exas.certified-HUBs">https://exas.certified-HUBs</a> (who work within the respondent submitting its bid response to the contracting agency, the respondent must provide notice of each of its subcontracting opportunities to <a href="https://exas.certified-HUBs">https://exas.certified-HUBs</a> (who work within the respondent submitting its bid response to the contracting agency, the respondent must provide notice of each of its subcontracting opportunities to <a href="https://exas.certified-HUBs">https://exas.certified-HUBs</a> (who work within the respondent submitting its bid response to the contracting agency, the respondent must provide notice of each of its subcontracting agency.
